DOLORES – Residency

For the second time two Munich art institutions, the unique artist-colony Domagkstrasse/Doku e.V. and the established city-run art space lothringer13/laden offer a two-month artist residency in Munich for art producers from abroad: DOLORES!

E-mail-application deadline: 20.4.2007

The purpose of DOLORES is to connect experimental art by creating international dialogue and networks and giving a foreign artist the possibility to realize a project of his/hers choice in the local context of Munich.

The residency-term is 01.8.2007 - 30.9.2007. Doku e.V. places a single bedroom in an artist flat share and a two-months public transport ticket for Munich. In addition the lothringer13/laden show room is kept vacant for studio work and a 10-day solo-exhibit (including a 500.- EUR project-budget, PR and opening event) by the resident at the end of September 2007.

Preconditions:

Candidates mustn't live in Germany by the date of their application and have to have a foreign citizenship. Candidates mustn't profit from second stipends in Munich by the time of their application, neither by the time of the residency (August/September 2007).

Candidates for DOLORES should have a degree in Fine Arts or an equivalent/similar education. There is no age-limit. Experimental and/or media-based artistic strategies, such as performance, net-art, installation, are preferred, yet not conditional.

The Candidates application must contain a proposal for a project to be realized within the residency-term.

Residence in Munich during August/September 2007, participation in an official welcome-event in DOKU e.V. and developing a solo-show for lothringer13/laden are obligatory conditions for the resident. The resident must not labour more than 10 h/week besides his artistic work during his residency-term in Munich.

For the Dolores-programme's focus being on the dialogue with the host, the candidate's ability to speak English is a prerequisite. If interested, the resident will be brought into contact with the local art scene (art academy, galleries, museums, artist community).

Procedure:

Interested artists, that meet the above listed requirements, are asked to send their digital applications (pdf) up to the 20.4.2007 to laden@lothringer13.de (**attention please: email address in our first call for entries was wrong, please send your application again**) with the code **"DOLORES-application"** in the subject line of the e-mail. The application (pdf) has to contain:

1. post- and e-mail-address and telephone-number
2. short text about you motivation (max. 1 page)
3. short CV
4. project proposal for the residency-term and the exhibit (about 1 page)
5. 1 image of a former project to give an impression of your work
